(3) The value of coal removed from a mine is defined for royalty purposes in § 3483.4 of this title.

(b) The royalty rates specified in paragraph (a) of this section shall be applied to new leases at the time of issuance and to previously issued leases at the time of the next scheduled readjustment of the lease.

An application for any of these benefits shall be filed with the authorized officer in accordance with part 3480 of this title.
